11:20 am – 11:30 am**Program Overview:**

Remaining up to date with the latest Hematology/Oncology research and new treatments is difficult for the practicing Hematologist/Oncologist. This program will provide a concise review of recent advances in this field of practice.

Program Objectives:

Upon completion of this activity, attendees will be able to:

1. Apply latest treatment advances to the cancer patient
2. Discuss newest cancer treatment options
3. Introduce Genomic Testing; how it is done and how to apply it

Target Audience:

The target audience for this activity includes graduates of the Feist-Weiller Cancer Center Hematology/Oncology training program and practicing cancer physicians in Louisiana.

Accreditation Louisiana State University Health Sciences Center at Shreveport, School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Louisiana State University Health Sciences Center at Shreveport, School of Medicine, designates this live activity for a maximum of 3 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
